Rough meaning of lyrics:
Dashing through the snow and wind,
We are sitting on the sleigh.
Running through the fields,
We are laughing and singing.
Horse bells jingle,
Making us happy.
Tonight we sleigh,
Happily we sing sleighing songs.

Jingle bells, Jingle bells,
Horse bells jingle.
Tonight how happily we are sleighing.
We are sitting on the sleigh.
Jingle bells, Jingle bells,
Horse bells jingle.
Tonight how happily we are sleighing.
We are sitting on the sleigh.

Now the ground is white.
Don't miss the good time of youth.
Bring your dear friends.
Sing with us sleighing songs.
Here is a chestnut-colored horse.
It runs one thousand miles a day.
We ride it on the sleigh.
And it gallops ahead.

Jingle bells, Jingle bells,
Horse bells jingle.
Tonight how happily we are sleighing.
We are sitting on the sleigh.
Jingle bells, Jingle bells,
Horse bells jingle.
Tonight how happily we are sleighing.
We are sitting on the sleigh.
